

STARTING ADVANCEMENT WONDROUS ENGINEERING During your Command Phase, Exhaust this card and Issue 2 Commands to Commission a Gorn Wonder in a System you Control with 3 or more Resource Nodes that doesn't already have a Gorn Wonder.	EXPANSION	4 ABLATIVE HULL PLATING You may spend 2 Production to prevent one of your Ships from being destroyed in Combat or by a Hazard.	MILITARY	4 ACADEMIC WAR EFFORT When upgrading your Weapon Level or Shield Level, spend 1 Research less for each Rival with a higher Weapon Level or Shield Level (respectively) than you.	MILITARY	4 ADVANCED PLASMA WARHEADS When Commissioning a Fleet, place up to 2 Production tokens from your Reserves on it. Before rolling To Hit in a Round of Combat, you may spend 1 Production from it to add 3 dice to your roll. If the Fleet is disbanded, all Production on it is returned to the General Supply.	MILITARY	4 CRISIS COUNCIL At the end of the Execution Stage, if one or more Systems you Control were involved in a Rival Invasion or Hegemony attempt, you may Issue 2 free Commands.	MILITARY
4 CRUSADE FORMATION Each of your Fleets has +1 Fleet Size.	MILITARY	4 FACTORY WORLDS You have a second Build Phase after your Command Phase. You may build one more Production Node beyond Capacity in Systems you Control with two or more Production Nodes.	EXPANSION	4 FLESH DISINTEGRATORS When you successfully Invade a Planet, you may rebuild all destroyed Resource Nodes for free.	EXPANSION	2 GORN MERIDOR Take 1 additional Production for each Rival Trade Agreement you hold. You must give one of those extra Production tokens to a Rival whose Trade Agreement you hold.	BUSINESS	4 LAYERED INTEGRITY FIELDS Rival Ships and Nodes never Hit your Ships on results of 1, 2, or 3. Such rolls cannot be turned into Hits by other effects.	MILITARY
4 PREDATORY INSTINCTS You have no Fleet Limit regardless of Ascendancy. Your Systems' Hegemony Resistance is increased by 1.	CULTURE	3 QUAD NACELLES During your Command Phase, you may spend 1 Production to add a Warp token to one of your Ships or Fleets at Warp.	EXPLORATION	2 ROYAL GUARD Exhaust this card to prevent another of your Advancements or a Rival Trade Agreement you hold from being Exhausted.	ESPIONAGE	4 SLAVE MASTERS When you successfully Invade or make a successful Hegemony attempt, take 1 Production for each intact Node and Starbase in the System.	EXPANSION	2 SUBSPACE GUIDING LOCKS By Issuing a Command, you may force all Rival Ships that Entered Warp in a Sector to immediately Exit Warp in that Sector, provided you have Ships there. Then, initiate a Space Battle in that Sector for free.	MILITARY
ALL-SEEING MOON You may build one extra Research Node in this System, beyond its Capacity. Rivals may not use any of their Advancements during Space Battles in this System.	COMMAND	AUTOMATED SHIPYARDS At the start of your Build Phase, build 1 free Ship in this System for each Production Node there.	COMMAND	FORBIDDEN PALACE Your Ships Orbiting this System may Re-Roll To Hit rolls of 1 in Space Battles. Rivals may not Attach Space Lanes to this System.	COMMAND	GRAVITY SIPHON Your Ships add 1 to their Warp Range when moving from or through this System. Rival Ships need 2 more Warp to move through or into this System.	COMMAND	ORBITAL RING You may build two extra Production Nodes in this System, beyond its Capacity. If this System is Hazardous, your Ships ignore the Hazard.	COMMAND
QUANTUM GATE During Resource Generation, you and each Peaceful Rival with a Ship in this System take 1 Production. Any number of new Space Lanes may be Attached to this System, beyond its maximum number.	COMMAND	SINGING GARDENS You may build one extra Culture Node in this System, beyond its Capacity. During Resource Generation, if there are any Ships in this System or in Attached Space Lanes, Nodes in this System generate no Culture.
